

Fitness Class Descriptions

Stretch/Recovery Classes

Yoga: Designed to increase flexibility, strength and balance while improving posture, coordination and focus.

Cycling Classes

Cycling Program: The latest in cross training, cycling is an instructor-led program and is appropriate for beginners as well as avid bicyclists. It's a high energy class with great music and motivating Instructors riding a varied mixture of flats, hills & sprints while burning calories all the way!
Pedal and Pump: Cycling combined with strength training for a complete exhilarating workout.

Cardio/Strength Specialty Classes

BODYCOMBAT™: is a high-energy martial arts-inspired workout that is totally non-contact. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. *Express Format: 30 min

BODYPUMP™: is the original barbell class that strengthens your entire body and challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. *Express Format: 30 min working Warm up, squats, chest, & back.

CXWORX™: Challenging but achievable for all fitness levels. Workout includes resistance bands, weight plates, and body weight exercises.

GRIT: LES MILS GRIT™ Series features three unique workouts (Strength, Cardio, Plyo) featuring High Intensity Interval Training designed for ultimate results in minimum time. 30 Minute Class!

HIIT: High-intensity interval training (HIIT) is a form of interval training that involves repeated bouts of high intensity effort followed by varied recovery times. The idea is simple: less total time required to make a big change...more bang for your buck! Come work out and see for yourself!

PiYo Live: A low-impact workout that combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility of flowing yoga movements.

Step: High intensity, low impact movements performed on a step platform for aerobic conditioning.

Strong by Zumba: A high intensity interval training (HIIT) workout using more traditional fitness moves for a more athletic conditioning style workout! Using your own body weight, you will gain muscular endurance, tone and experience an increased after burn.

Total Body Conditioning: This Class incorporates strength & Cardio segments using equipment such as dumbbells, resistant bands, Swiss ball, a mat, and your own body weight for a total body workout.

Zumba: Latin-inspired dance fitness class. Zumba is fun, different, easy and effective.

Beginner/Active Older Adult Classes

Cardio/Muscle/Mind: The movements and choreography are simple but the intensity will be moderate to high. It includes cardio, strength, abs, balance, and stretching. This class is perfect for all ages and fitness levels.

Latin Beat Workout: A fun upbeat workout with a Latin flair for all ages and fitness levels.

Strength & Balance: Strengthen your muscles and maintain stability with core and balance exercises created to enhance your quality of life.
