WE'RE FOR YOUTH DEVELOPMENT

There is no other nonprofit quite like the Y. The Y is, and always will be, **dedicated to building healthy, confident, connected and secure children, adults, families and communities.** The Y makes accessible the support and opportunities that **empower** people and communities to **learn, grow and thrive.**

With a focus on youth development, healthy living and social responsibility, the Y nurtures the potential of every youth and teen, improves health and well-being and provides opportunities to give back and support neighbors.

The Santa Maria Valley YMCA serves more than 6,550 people of all ages. More than **3,000 of them cannot afford membership or program fees and benefit from financial assistance.** At the Y, strengthening community is our cause and we are accessible to all people.

When you give to the Y, you help unlock potential. Please give today!

SEW (Social Emotional Wellness)

This pandemic created isolation and some pretty challenging behaviors for our youth (and for some of our adults as well!) SEW is a program designed by a Y task force and CALM to equip hundreds of Y childcare staff with tools on how to navigate these behaviors. We help our youth reintegrate into society and teach these coping mechanisms so that they will be useful long after our littles graduate out of the Y care.

IMAGINE THE GOOD WE COULD DO...TOGETHER

“I can’t wait to return to camp next summer because it’s a fun place to be and I learned how to swim for an emergency.”
