

Welcome to Camp at the Santa Maria Valley YMCA!

Whether you are looking for summer, winter or spring camp, we have you covered! Just as you are pre-planning and organizing your school and work calendars, we are planning and organizing our camp calendars in order to provide you and your family with SAFE and FUN enrichment opportunities. Our goal is to have each camper learn and try something new while they are here with us. Our camps provide children ages 5 years to 10 years with supervised activities including art, literacy, sports, music and movement and more!

Summer camps include Specialty Camps including: Splash Camp (Swim Lessons and Water Fun), Zulu Camp (Dancing and Choreography), Engineering Camp(Robotics), Glee Camp (Theater/ Musical)

We have weekly themes for ALL Traditional Camps (see camp calendars).
